EDUCATION

Bachelor of Computer Applications

Bharathidhasan University | 2023-2026

Year of Graduation : 2026

Bio Match (12 HSC) 60.8%

Town Higher Secondary School

Completed: 2023

PROJECT

Portfolio Web Page

Developed a responsive portfolio website using React, HTML5, and CSS3 to showcase projects and skills, implementing semantic markup, modern styling, and clean component-based architecture, with version control managed via GitHub.

Login & Authentication System

Built a login and registration system with FastAPI and MySQL, implementing authentication, session handling, and integrated backend APIs with the frontend.
